

Categories

Muitomas is color, accessibility, design and attention to current trends.

Its portfolio features products that have the power to make people feel good, and its categories range from home, beauty, travel and utility.

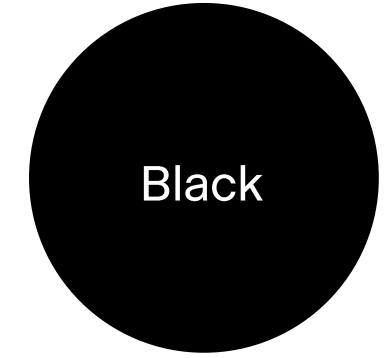

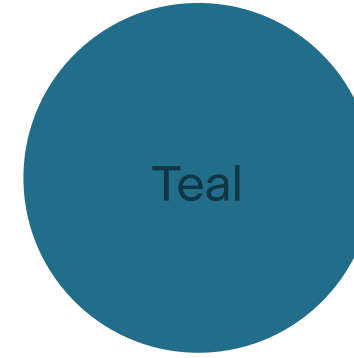

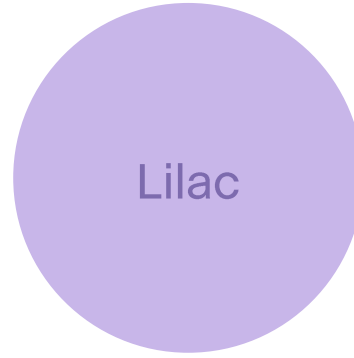

Color at the center

The distinctive elements is color and collectability of the products.

The color choice follows the latest trends in terms of shades.

The current product range features 6 nuances: white, peach fuzz, lilac, sage green, teal and black.
