Seven devices for face, eyes and scalp

Beauty

Light, warmth and massage for the everyday care routine, designed to be used at home.

FitMask

FitSkin

FitLift

FitMask Glam

FitWand

FitComb

FitEye

FITPADDY®

Seven devices, one daily routine.

The FITPADDY Beauty line brings LED light, gentle warmth, microcurrent and massage into care routines for the face, the eye contour and the scalp. Every device is cordless, made for cosmetic use at home and ready to give as a gift.

LED light masks

FitMask

Silicone mask, 96 LEDs, four wavelengths

FitMask Glam

Fabric-lined mask, 88 LEDs, three brightness levels

Face and eye-contour devices

FitSkin

Metal wand with EMS, warmth and LED light

FitLift

Electric gua sha with EMS, warmth and LED

FitWand

Warm metal-head wand for the eye area

Scalp care and relaxation

FitComb

Rotating scalp comb with EMS and red light

FitEye

See-through eye massager with heat and audio

FITPADDY®

LED facial mask

FitMask

Four wavelengths of light, one soft silicone mask.

96 LEDs bring red, blue, yellow and near-infrared light to the whole face. The mask is flexible, cordless and recharges via USB-C, with shaded eye cups and a timer you set from 10 to 30 minutes for an at-home cosmetic skincare routine.

Cordless · USB-C rechargeable · Soft-touch silicone · Premium gift box

FITPADDY®

LED facial mask

FitMask Glam

Just 118 grams on your face.

A soft, fabric-lined silicone mask with 88 LEDs and three brightness levels. One of its four light modes blends red, blue and near-infrared light in different proportions by zone: fuchsia on the T-zone, purple on the cheeks. One charge lasts around 140 minutes.

Cordless · 3 brightness levels · USB-C rechargeable

FITPADDY®

LED and EMS facial massager

FitSkin

Warmth, microcurrent and light in 54 grams of metal.

A slim metal device with a 360° rotating head for face and neck care at home. EMS microcurrent and vibration in three levels, warmth from 40 to 45 °C and red, blue or purple LED light. IPX4 splash resistant, recharged via USB-C.

FITPADDY®

Electric gua sha with EMS

FitLift

Gua sha, switched on.

The classic face and neck massage tool as a compact cordless device: microcurrent EMS, 9,500 vibrations per minute, gentle 43 °C warmth and tri-colour LED light. Three pre-set modes combine them for an at-home cosmetic routine.

- Microcurrent EMS
- Vibration
- 43 °C warmth
- Red, green and blue LED

FITPADDY®

Eye care massager

FitWand

Made for the eye contour.

A compact wand with a chrome-plated metal head that warms from 37 to 45 °C and pairs red LED light with 10,000 vibrations per minute. Designed to accompany eye creams and serums, with temperature, mode and battery level on the LCD display.

FITPADDY®

Electric scalp massage comb

FitComb

A scalp-care ritual that fits in one hand.

A cordless comb whose rotating head works with opening-and-closing silicone teeth and metal massage tips, combined with EMS, red light and a 4.5 ml tank for essential oil (oil not included). Four modes and about two hours of use per charge.

FITPADDY®

Smart eye massager

FitEye

An eye massage you can see through.

Air compression, vibration and gentle heat for the eye area and temples, in four modes and three intensity levels. The see-through design keeps your vision clear while you wear it, and the built-in Bluetooth speaker plays white noise or your own music. Folds up to 180° to store or travel.
